

2010 Envolve Russian River Pinot Noir

Our 2010 Lennox Vineyard Pinot Noir comes from a small family owned, nine acre vineyard located on the southern edge of the Russian River Valley appellation.

It's delicious in sour cherry candy, persimmon and sandalwood flavors, with a long, spicy finish. Lovely for drinking now with steak, tuna, salmon and lamb.

The long cool growing season of 2010 allowed great acid retention in the fruit and extended time for flavor development without the high sugar levels associated with warmer growing conditions.
