

# Epilogue

- Founded by three best friends, who formed a team built on long-lasting friendships and a shared passion for winemaking.
- Farmed in Paso Robles, Central California. One of California's greatest regions to grow Cabernet & other Bordeaux varietals.
- European in style, offering a soft, elegant and silky mouthfeel.
- Pairs perfectly with light Italian dishes and tomato-based sauces - chicken, fish, pork & marinara based pasta. Enjoy!
